

Pigeon Parents

A 'pigeon parent' is our term for an individual who donates \$4000 or more to The Red Room Company and our 'Pigeon Poetry' project.

Corporate, group or individual sponsors can become a 'pigeon parent'. This means buying exclusive naming rights to a bird in the Pigeon Poetry form guide.

A \$4000 donation will provide the 'parent' (sponsor/donor) with the following benefits:

- * Naming rights to an individual pigeon
- * The form guide for the race to carry parent name
- * Parent name will be included on DVD production of the race
- * Invitation to attend Race Start function
- * Mentions of Parent name in media releases between April and August
- * Parent names mentioned, where applicable, in print and website etc
- * Pod-cast interviews by Red Room personnel.
- * Parent logo/name portrayed on the Pigeon Poetry page of the Red Room website

If you'd like to donate now please contact Johanna Featherstone directly.
